PAHO/WHO Weekly report FluID and FluNet

PAHO Influenza Team

Punta Cana, 24 May 2017

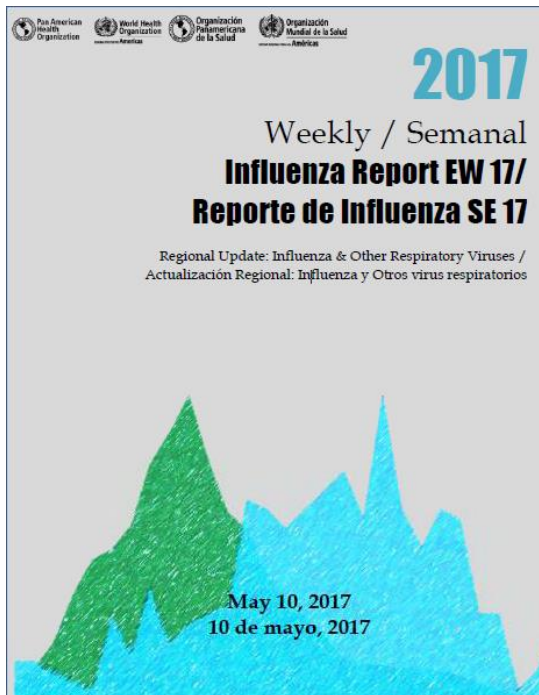

Reporting

Epidemiological Data in the Americas

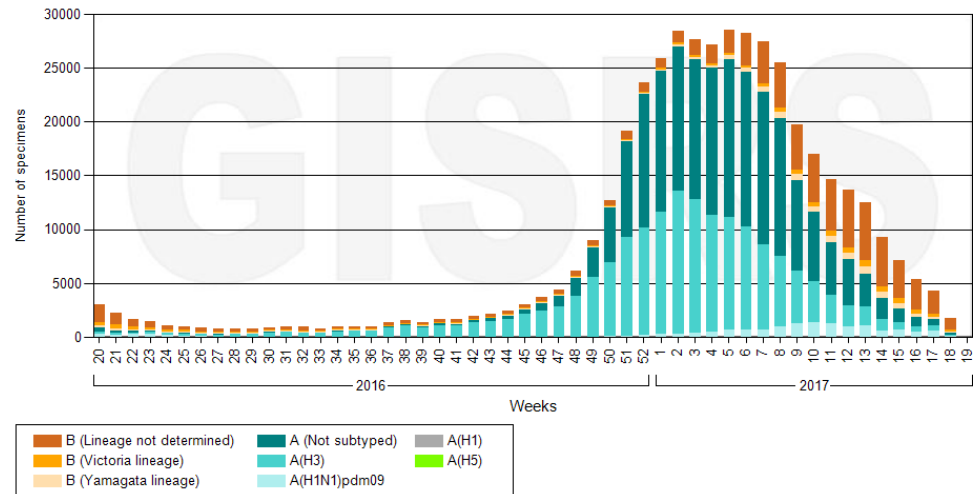

Virological Data in the Americas

Northern hemisphere

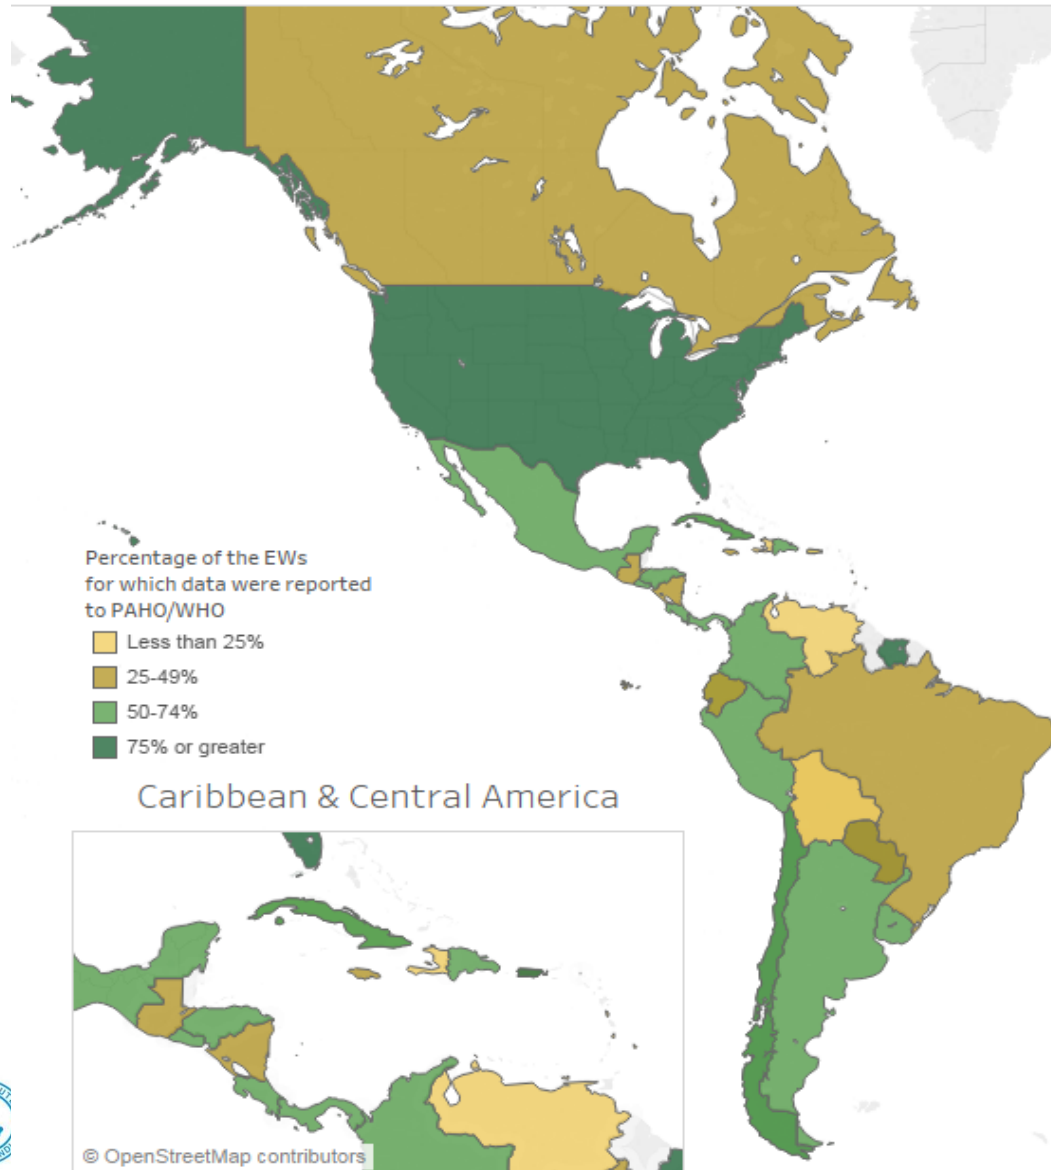

Number of specimens positive for influenza by subtype

FluNet

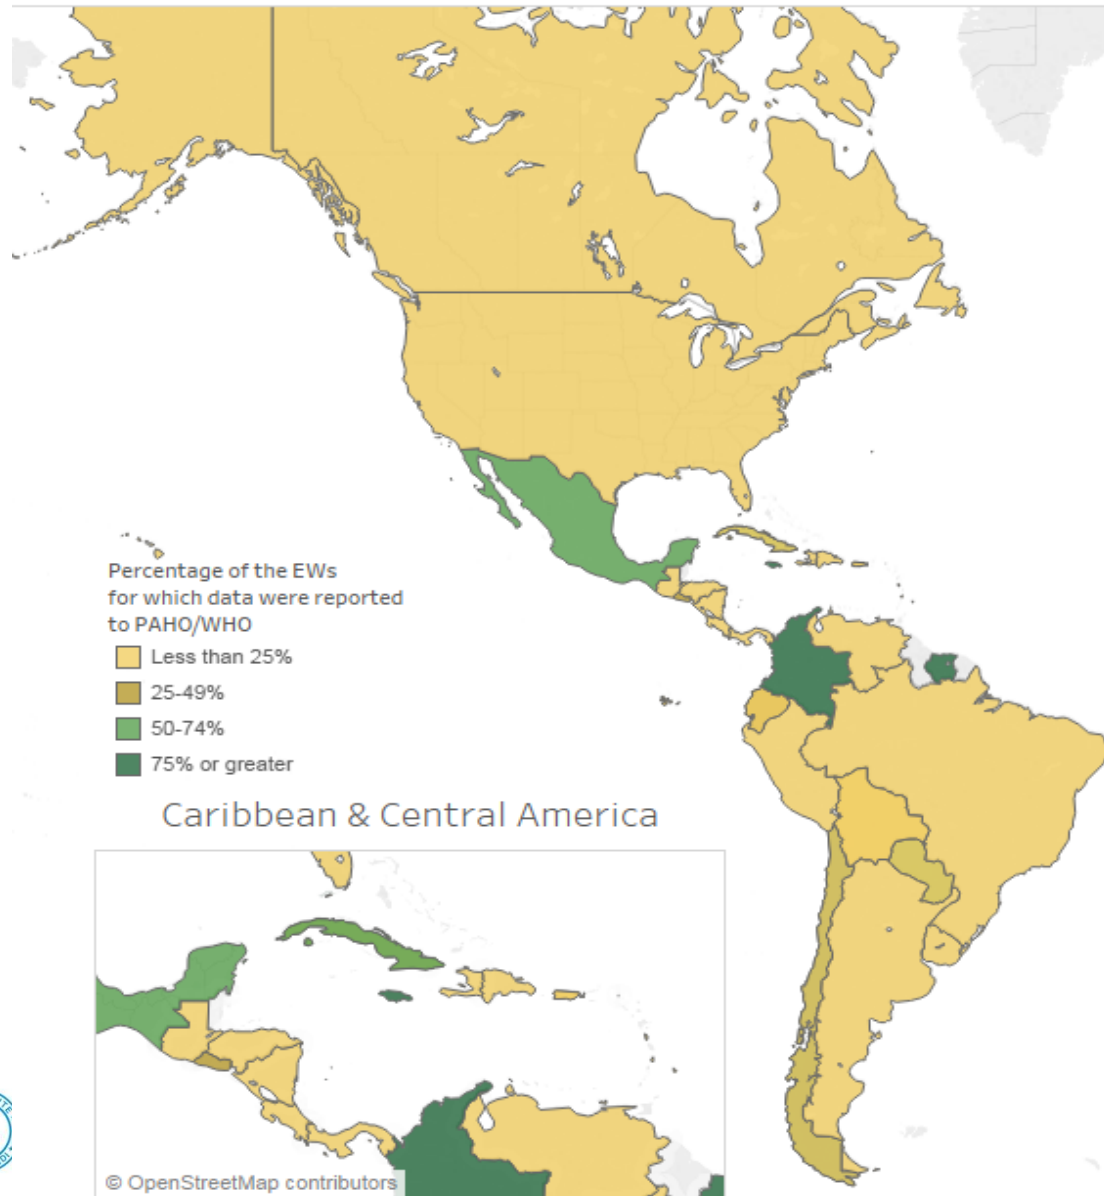

FluNet Reporting Frequency, 2016

FluID

FluID Reporting Frequency, 2016

Recomendation

FluNet and FluID :

- PAHO/WHO recommends that virological and clinical epidemiological data should be sent in a weekly basis to the Organization

Samples for additional characterization:

- PAHO/WHO and US CDC recommends that samples be sent four times a year for further characterization to the WHO Collaborating Center

Thank you!!
